

## Green Class – Home Learning – w.b. 4<sup>th</sup> May 2020

Dear Parents / Carers,

Thank you for your comments, questions, patience and photographs over the last few weeks, all have been greatly appreciated.

It is good to hear about how you and your children are getting on with this new way of working. I know that everybody has different priorities at the moment and I have been thinking about ways to try to make the children's work clearer and more straightforward to schedule.

Looking at the second work pack, I have reorganised the content for English and Maths into weekly blocks which I have then further divided down into daily sections of work. My hope is that this will help both you and your children to organise the time spent on these areas more easily and with less stress.

I plan on updating this on a weekly basis.

At this point I know that people are in different places in the work. If this doesn't fit with what you are doing and you would prefer to stick to your own approach, then that is absolutely fine too.

I have included all the topic and PE ideas from the original planner on the last page so that you and your children may find your own way through and follow your areas of interest as they arise and as time allows.

There is a sharing section in PurpleMash with a class display board and a blog that your children may wish to look at. It is only accessible to the class and all posts are checked.

As usual, please feel free to use "Mr Davies says..." and e-mail [green@beaupre.cambs.sch.uk](mailto:green@beaupre.cambs.sch.uk) if you have any questions.

Keep looking after yourselves and don't forget to keep sending the photos for the newsletter, they are greatly appreciated by everybody.

Mr Davies

3	Answer the open ended questions in PurpleMash, using the text for reference and for evidence when needed (P.E.E. when needed).	You are the reporter. You have been sent to Egypt to write about the Carter’s historic discovery. Research and make notes about Howard Carter and his search for Tutankhamun’s tomb <a href="https://archaeology.mrdonn.org/howard-carter.html">https://archaeology.mrdonn.org/howard-carter.html</a> <a href="https://www.bbc.co.uk/bitesize/topics/zg87xnb/articles/zvmkhhbk">https://www.bbc.co.uk/bitesize/topics/zg87xnb/articles/zvmkhhbk</a> <a href="https://kids.kiddle.co/Howard_Carter">https://kids.kiddle.co/Howard_Carter</a>	<a href="https://www.topmarks.co.uk/maths-games/7-11-years/mental-maths">https://www.topmarks.co.uk/maths-games/7-11-years/mental-maths</a> Come up with your own idea for a bar chart. Remember to label the axes and think carefully about the scale. Think about giving films marks out of 10 or 100. You could come up with a questionnaire for your family to help you.

SCIENCE - As part of mummification, the ancient Egyptians removed the stomach, liver, lungs and intestines. In Science, we will be looking at the digestive system and how it works.

- Create a poster to explain the job of different teeth and how to look after them properly.
- Draw and cut out the shapes of the parts of the digestive system. Label them. Put them together in the right order. Can you name them without looking at the labels? Can you put them in the right order everytime?
- Imagine you are a piece of food. Write about your journey from sitting on the plate to your final escape. Use the scientific vocabulary for the places you visit on your way through. Can you make it more exciting than Peter Pea?

HISTORY - We are covering ancient Egypt

- Five Facts about Egypt as it is today.
- Present a weather forecast for Egypt
- Find a map of Egypt. Where are all the main towns and cities? Explain why you think that might be.

- If you have Minecraft, build a pyramid. It will need a chamber in the middle and a maze of corridors. Can you set traps? It will need to look good for the Pharaoh!
- If you don't have Minecraft you can always make a cake pyramid!! Joe Sugg made a good one out of gingerbread on Celebrity Bake Off for 5<sup>th</sup> 4C. (Channel 4, Series 3, Episode 4 if you want to try to find inspiration.) I have also seen a Starburst pyramid.
- Listen to the music (not the full hour, unless you really like it) and think about what you know about Egypt. What images of Egypt come to mind? Draw or write about what you imagine.
