

3<sup>rd</sup> July 2020

Dear Parents/Carers,

I am sure that you are all aware that schools will be opening for all in September.

There is lots of information and preparation for the school to implement to ensure the safety of your children and the staff. Many of the procedures we have already implemented for the children we currently have in school will continue.

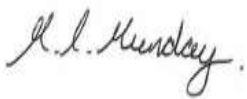

I am awaiting further guidance from the Local Authority and this will help me plan further. I want you to know that I am working hard on this to be in place for September and to keep you as updated as possible.

To enable your own future planning I can advise you that there will be:

- Staggered starts and collection times to the school day.
- At present Breakfast Club will not be starting immediately in September and after school sports clubs are in discussion, so again unlikely to be starting immediately in September.
- Attendance is expected and therefore fines will be reintroduced.

I appreciate that you will have many questions and thank you for your continued support. I will update you as soon as possible with more information as it comes in.

Kindest regards

Michelle Munday  
Headteacher
